

PAR-36 LED BULB

12V Low Voltage

Detail Specifications

- IP Rating: Wet Location IP67
- Beam Angle: 38°
- Chip: CREE SMD
- Base: PAR-36
- Lens: Clear
- Lumens: 780
- Voltage: 12V AC/DC (9-15V Range)
- CRI: 80
- Operating Temperature: -40° - 114° F
- Housing: Metal
- Average life (L70) of 25,000 hours

Applications:

- Halogen Retrofitting
- Walkways & Pathways
- Landscape Lighting

Product Information:

- Standard size of halogen versions
- Suitable for use in existing fixtures
- Approved for use in enclosed fixtures
- Instant-On to full brightness

Mounting & Installation:

- Compatible with electronic and magnetic low voltage systems

Certifications:

- UL Listed for USA and CA
- Energy Star Listed
- 3 Year Limited Warranty
- FCC CFR 47, GCC Part 15, Subpart B:2017

Series

LED-PAR36-13W-W
