# 4" SnapTrim Scoop Downlight J-Box

## 5CCT Selectable - 27/30/35/40/50K

Introducing the new EnVision LED Lighting SnapTrim Scoop downlight with J-Box! This new fixture has a 90° pop-out light design, and a 38° beam angle that allows for an easy adjustment after installation. Our unique scoop gimbal design adds an architectural touch for any new and old retrofitting project. The canless module does not require any housing, making it perfect for new construction and remodeling. Now with 5 selectable color temperatures, this fixture is perfect for any lighting project that comes your way.

### Applications:

- Retrofitting
- New Construction
- Residential Lighting
- Commercial Lighting

### Product Information:
