EXT SnapTrim Downlight
5 CCT Selectable: 27/30/35/40/50K

EnVision LED has developed a line of super slim LED downlights that eliminate the need for a can. The external remote junction box mounts inside the ceiling and the fixture is IC Rated. EnVisions EXT SnapTrim downlights feature three interchangable trims, including black, bronze, and brushed nickel. By reducing material cost and installation time, the EnVision SnapTrim is the ideal retrofit or new construction recessed lighting solution yet. Simply cut a hole in the ceiling, power the J-Box to the wall switch, and "snap" the trim flush.

Applications:
• Retrofitting
• New Construction
• Residential Lighting
• Commercial Lighting

Product Information:
• External J-box & spring mount clips for easy installation
• Multiple Knockout is suitable for Daisy Chained application. Connected together with flexible whip and thicker gauge wires. (not provided)
• 5CCT version toggles between 2700k, 3000k, 3500k, 4000k & 5000k
• Compatible with most dimmers (e.g. Lutron DVCL-153P)
• Spring mount clips make installation easy
• Canless module does not require housing
• IP65 Wet Location Rated

INSTALLATION

The slim panel LED redefines recessed downlight installations. The narrow design and remote driver box with the panel LED can be installed in conifned, hard to reach spaces such as closets, bathrooms, hallways, stairwells, outside soffits and other areas that would have been nearly impossible with traditional recessed housings.

Make installation quick and simple with EXT SnapTrim series

Traditional recessed downlight

Requires recessed can housing

EXT SnapTrim Panel LED

External driver   Spring clip

Does not require recessed can housing

Recessed fixture
